OUR FAITH

“Your light must shine before all so that they may see goodness in your acts”

(Matt 5:16)

Giving of our time, talent and treasure mainly involves a change of attitude about giving. It’s important to think in terms of giving in gratitude to God, of considering how blessed we are, of using our gifts and talents for the good of others. In the area of time, and talent, many individuals commit a certain number of hours each week to prayer and charitable activities. In the area of treasure, some Christians choose the biblical norm of giving 10 percent of their treasure. Some because of circumstances, give more than that. Others might start at 2, 3, or 4 percent, and work upwards.

Q How are we to give of our time, talent, and treasure?

A Stewardship involves intentional, planned, and proportionate giving of our time, talent, and treasure. Following are some comments that further explain what we mean by intentional, planned, and proportionate giving:

Intentional - A well thought out, deliberate discussion is made to live out the Christian life in a certain way. That way is to thank God for all our blessings by returning to the Lord a portion of the time, talent, and treasure allotted to us.

Planned - At the beginning of every year, each Catholic house hold in the diocese would plan and make stewardship of time and talent a part of their lifestyle and stewardship of treasure a part of their budget.

Proportionate - A decision is made to give a certain percentage of one’s time and one’s income to the Church and other charities.

Kelley, James. Sustaining and Strengthening Stewardship. Liturgical Press, 1995.

“Tu luz debe brillar delante de todos, para que vean el bien en tus acciones”

(Mt 5:16)

Dar nuestro tiempo, talento y tesoro implica principalmente un cambio de actitud acerca de dar. Es importante pensar en términos de dar en agradecimiento a Dios, de considerar cuán bendecidos somos, de usar nuestros dones y talentos para el bien de los demás. En el área del tiempo y el talento, muchas personas dedican un cierto número de horas cada semana a la oración y a actividades caritativas. En el área del los bienes, algunos cristianos eligen la norma bíblica de dar el 10 por ciento de sus bienes. Algunos, por las circunstancias, dan más que eso. Otros pueden comenzar con un 2, 3 o 4 por ciento y aumentar.

P ¿Cómo debemos dar de nuestro tiempo, talento y tesoro?

R La mayordomía implica dar de manera intencional, planificada y proporcional nuestro tiempo, talento y tesoro. A continuación, se presentan algunos comentarios que explican más a fondo lo que queremos decir con dar de manera intencional, planificada y proporcional:

Intencional - Se realiza una discusión bien pensada y deliberada para vivir la vida cristiana de una manera específica. Esa manera es agradecer a Dios por todas nuestras bendiciones devolviendo al Señor una parte del tiempo, talento y tesoro que nos ha sido asignado.

Planificada - Al comienzo de cada año, cada hogar católico en la diócesis planificaría y haría de la mayordomía del tiempo y el talento una parte de su estilo de vida, y la mayordomía del tesoro una parte de su presupuesto.

Proporcional - Se toma la decisión de dar un cierto porcentaje de nuestro tiempo y de nuestros ingresos a la Iglesia y otras organizaciones benéficas.

Prayer of Spiritual Communion

My Jesus, I believe that You are present in the most Blessed Sacrament. I love You above all things and I desire to receive You into my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there, and unite myself wholly to You. Never permit me to be separated from You. Amen.
